Date: _____

To,
Hiring Manager

Subject: Application for suitable position,

Dear Hiring Manager,

I am writing to express my interest in suitable opportunities for IT Executive, Assistant IT Manager, IT Manager, or Cybersecurity Engineer within your organization.

I am an IT professional with 7+ years of experience in IT infrastructure, network administration, server management, ERP implementation, cybersecurity, technical support, and IT operations. In my current role at Karthik Agro Industries Pvt. Ltd., I manage IT infrastructure, Windows Server, Active Directory, LAN/WAN, firewalls, ERP applications, backups, cybersecurity, CCTV, biometric systems, vendors, and end-user support.

My previous experience has given me strong hands-on exposure to networking, hardware and software troubleshooting, system administration, infrastructure maintenance, and technical support. I also have practical knowledge of Microsoft technologies, Atharva ERP, Tally Prime, Zoho applications, SQL Server, CCTV, backup and disaster recovery.

I hold certifications in CCNA Fundamentals, Cybersecurity, Python Programming Language, and Active Directory on Windows Server. I am confident that my technical skills and practical experience can contribute effectively to your IT operations and cybersecurity requirements.

Please find my CV attached for your consideration. I would appreciate the opportunity to discuss my profile and how I can contribute to your organization.

Thank you for your time and consideration.

Yours sincerely,

Rohit F. Kallimath

PROFESSIONAL SUMMARY

Results-driven IT professional with 7+ years of experience in IT infrastructure, network administration, server management, ERP implementation, cybersecurity, technical support, IT operations, and vendor management across healthcare, IT services, automotive, consultancy, and manufacturing environments.

PROFESSIONAL EXPERIENCE

IT Executive | 05-May-2025 – Present

Karthik Agro Industries Pvt. Ltd., Bagalkot [PF Account]

- Manage end-to-end IT infrastructure and daily IT operations for the manufacturing plant.
- Manage LAN/WAN, routing, switching, VPN, firewalls, internet connectivity, and network security.
- Manage Atharva ERP, Tally Prime, Smart Office, Zoho applications, and coordinate ERP implementation/customization.
- Manage CCTV, biometric attendance systems, printers, end-user systems, and IT assets.
- Develop and maintain IT policies, SOPs, backup procedures, cybersecurity practices, and documentation.
- Coordinate IT procurement, AMC/service vendors, software licensing, infrastructure projects, and support activities.

IT Executive | 01-Oct-2024 – 30-Apr-2025

TAFE Access Limited (Škoda), Bangalore [PF Account]

- Managed day-to-day IT operations and end-user technical support.
- Installed, configured, maintained, and troubleshoot desktops, laptops, printers, and network devices.
- Diagnosed and resolved hardware, software, operating-system, application, and connectivity issues.
- Supported LAN/WAN and network infrastructure and coordinated issue resolution with service vendors.
- Maintained IT assets, inventory, documentation, and user support records.

Small Array Consultant | 25-Jun-2023 – 25-Sep-2024

Client: Elite Motors, Bangalore [Off Record – Non-PF Account]

- Provided IT/technical consultancy and end-user support for the client.
- Assisted with system setup, troubleshooting, hardware/software support, and day-to-day technical requirements.
- Supported network and peripheral-related issues and coordinated technical resolution where required.
- Work engagement was off record and was not maintained under a PF account.

Professional Experience | 20-Feb-2023 – 18-Jun-2023

Bharat Glass and Crockerries [PF Account]

- Provided IT and technical support for day-to-day business operations.
- Handled end-user hardware, software, peripheral, and connectivity troubleshooting.
- Supported IT equipment maintenance and user assistance.

Professional Experience | 30-Sep-2022 – 14-Feb-2023

Precision Techserve Private Limited [PF Account]

- Provided technical support for computer systems, networking, peripherals, and end users.
- Performed hardware/software troubleshooting, system configuration, and preventive maintenance.
- Assisted with network connectivity and onsite technical support activities.

Hardware & Network Engineer | 01-Jul-2022 – 24-Sep-2022

MWB Technologies India Pvt. Ltd., Hubli [PF Account]

- Installed, configured, and maintained LAN/WAN and wireless network infrastructure.
- Configured routers, switches, access points, firewalls, and related network equipment.
- Installed and maintained CCTV systems, biometric devices, printers, and other IT peripherals.
- Provided onsite and remote technical support to customers/users.

IT Admin | 15-Mar-2021 – 25-Jun-2022

Panchamrutha Industries Private Limited [Off Record – Non-PF Account]

- Provided IT and technical consultancy for business systems and end-user requirements.
- Handled computer hardware/software troubleshooting, system setup, and technical support.
- Assisted with networking, peripherals, maintenance, and day-to-day IT operational requirements.
- Work engagement was off record and was not maintained under a PF account.

Technical Support Engineer (Part-Time) | 01-Jun-2019 – 09-Mar-2021

Vaidya Sane Ayurved Laboratories Limited [PF Account]

- Provided technical support for desktops, laptops, printers, and healthcare IT systems.
- Performed preventive maintenance, troubleshooting, and system configuration.
- Assisted users with hardware, software, and network-related issues.
- Maintained IT inventory and technical documentation.
